

# HASMONEAN CAREERS NEWS

Hasmonean Careers Activities Autumn Term 2018

Nov 2019

## Yr 11 Pupil Interviews

This terms all Yr 11s will begin their careers interviews

Pupils will have a 15 minute personalized interview with a careers advisor who will offer independent advise. Pupils will be questioned about their career aspirations and decisions about post-16 education. Appointment times and information will be posted with Yr 11 year leaders. Ms Canoville will interview the girls while Mr Rivers-Davis and Ms Booth will interview the boys.

*“Hasmonean is currently completing an audit of our careers programme and how it meets the benchmarks of the new Gatsby ideal careers provision - pupils can expect to have an opportunity to track their careers progression within the school.”*

- M Rivers-Davis

## The revamped Hasmonean careers website

m.rivers-  
davis@hasmonean.co.uk

Yashar Programme as a brand new careers and higher education programme to assist sixth formers (and on occasion, years 10 and 11 students) in making more informed choices for their futures. The programme involves weekly speakers from different professions coming in to speak, opportunities for students to attend open and taster days and trips to further education conventions and exhibitions.

## The Yashar Programme

### THE ALUMNI FAIR - Wed Nov 7th Girls' Site Hall

The alumni fair was held where students from mainly 6th Form had the opportunity to find out what life is like in a variety of universities and places of work. We had over fifty former Hasmonean students representing a variety of apprenticeships and universities. Alumni from: Cambridge, CASS, Imperial, King's College, Queen Mary, Westminster and more, including apprenticeships attended

<b>careers talk – Gabriella Lebrecht - Actuary</b>
<b>Abigail Glass Dietician and Abigail C - Midwife</b>
<b>Tanya Malkiel - Dentist -</b>
<b>Phil Robinson - Doctor</b>
<b>Simon Gold - Accountant</b>

To support the Yr 8 Girls' Computing course and in conjunction with the Twitter girls multi-faith programme, several groups of Hasmonian girls have visited the London Twitter HQ to learn programming and coding skills. With the aim to increase girls' take-up of Computing, the programme allowed pupils to meet female coders and programmers who work at Twitter and to listen about their careers and how they became programmers.

A group of year 8 Girls visited the Cadbury's World factory attraction in Birmingham on the 13th Dec as a taster to their GCSE Business option courses. The girls had an opportunity to have a lecture on the chocolate manufacturing process and to talk to production workers in the factory during the tour of the factory. The girls were able to see the different stages of chocolate production and to ask questions on how Cadbury brand their bars.
