

Hasmonean High School For Girls

Part of The Hasmonean Multi-Academy Trust

This is not an ordinary prospectus.

But that's because we are not an ordinary school.

The dictionary defines a school as 'an institution where instruction is given, especially to persons under college age.'

We disagree.

Hasmonean is:

A school.

A foundation for life.

A family.

A place to grow.

At Hasmonean, students, staff, parents, governors and trustees are united in a common goal to foster the development of girls who will confidently live out Torah im Derech Eretz.

This is summed up in our value system

Honesty

Optimism

We will equip your daughters to take their place in the world, proud and assured of their beliefs and heritage.

First class academic results and a broad extra-curricular programme.

At Hasmonean High School for Girls this comes as standard.

However, if we only offered this we would feel that we had failed.

We believe in giving our students the tools they need to build their future.

“Our task is to fill ourselves with Hashem’s wisdom and His Torah. If we fill ourselves with everything of true value and worth and goodness, with matters relevant to humanity and to G-d, and do so willingly, then the world will cherish and honour us; we will be respected as trustworthy people, peace-loving people of good deeds, not in spite of the fact that we are Jewish, but rather because we are Jewish.”

Rabbi Samson Raphael Hirsch, major proponent of Torah Im Derech Eretz philosophy and architect of Torah Judaism for the Modern World

וכל בניך למודי ה' ורב שלום בניך
אל תקרי בניך אלא בוניך
ברכות סד.

And all your children will be the students of Hashem,
And your children will have peace.
Do not read 'your children', but 'your builders'.

"All your children" emphasises the importance we place on challenging each and every

individual, highlighting the significant role that every child will play in building the future.

Mary Poppins Production

We judge our success on the kinds of lives our students are leading long after they have left Hasmorean. We want them to graduate from Hasmorean to become community leaders and to make their mark on the wider world.

"Hasmonean is like a big family, very warm, very fun and a place you make lifetime friendships."

"I really feel a strong sense of community in Hasmonean, I feel that my teachers push me to achieve my goals both in my academic subjects and Jewish Studies."

"Hasmonean has allowed me to try out lots of new things from Kodesh Extra at lunchtime to paintballing in Activities Week. I love the way we celebrate the festivals and that it has been so easy to make friends. I was nervous before I arrived but now I love coming to school."

"It was a big change coming from primary to secondary school but I love it in the hall when there is music and dancing: it is such fun. My Keshet is so nice, she supports me in all I do and gives me lots of support. It is amazing how we also have study buddies that help us with whatever we need. There are lots of lunchtime activities to do at Hasmonian. The Achdut trip was amazing!"

"At first, I was afraid of going to secondary school but once I walked in on my first day it felt like home."
