Coronavirus Catch-up Premium Report 2020-21

Hasmonean High School for Girls

Headteacher: Mrs K Brice

Amount of Covid-19 Catch-up Premium: £35, 920 + £1,534 (post-16 allocation)

The government Covid-19 catch-up premium has been given to schools to mitigate the effects of the unique disruption caused by coronavirus. This grant is only available for the 2020-21 academic year. The money will be used for two main areas. The bulk will be spent on specific academic interventions with small groups of students, targeting those who have been worst affected by the pandemic. Smaller sums will be directed towards wellbeing for the whole community and to address some of the behavioral concerns which have arisen.

Strategy Area	Specific Strategy	Success Criteria	Cost	Impact
Teaching: English	Purchase of Lexia to improve student literacy	Regular data	£7,800	Lexia built confidence in
	levels. 200 licenses purchased for Years 7, 8	collection. Gaps		students and improved
	and selected students in Year 9 to be used in a	identified to		their reading and
